### TOURNAMENT FORMULA (group stage + play off)

The teams divided in two groups (A & B) will play against the other teams in their group. The round draw will split the top seeded teams to prevent them from being in the same group. All the Finals (from 1<sup>st</sup> to 8<sup>th</sup> place) will be played and prizes will be given to each team.

- Less Major Fouls committed.

## DURATION OF THE MATCHES

1<sup>st</sup>/2<sup>nd</sup> place final will be played in 4 periods of 6 effective minutes each. All the other matches will be played in two halves of 8 effective minutes each.

## TECHNICAL RULES AND EXCEPTION

The official Waterbasket Technical Rules apply, with the following exceptions:

- Duration of the match (8.1): matches will be shorter, see details above.
- Draw score: instead of playing an overtime, 5 Free Throws will be directly played (8.5.1).
- Each team has 1 Timeout available per game, 2 Timeouts during the 1<sup>st</sup>/2<sup>nd</sup> Final (12.2).
- The limit of Personal Major Fouls is 3 during the 1<sup>st</sup>/2<sup>nd</sup> Final, or 2 in all other matches (16.3).
