

Waterbasket will be present at the CSIT World Sport Games, with a tournament that will take place at diving pool at the Riccione Swimming Stadium (Stadio del Nuoto di Riccione) on the 8th and 9th of September 2023.

A tournament will be held among teams that register by June 30th; there is also an opportunity for anyone to try this new discipline.

Waterbasketball tips:

- This sport combines the fundamentals of water polo – such as swimming, ball possession and dribbling – together with some of the rules of basketball.
- It can be played by men and women in mixed teams.
- Ball possession is 3 seconds (when the player is in possession of the ball out of the water).
- Playing time per action is 24 seconds.
- Teams consist of 12 players: 5 on the water and 7 on the bench.
- Field dimensions: 15m wide x 20m long with minimum depth of 1.80m.
- The height of the basket from the water surface is 1.3m.
